## Hardware **Options**

Browse our exclusive range of stunning door furniture and hardware for the perfect finish to your chosen door on **page 32**.

A Hoppe Premium Upgrade and a Secured by Design Upgrade are also available.

**Our doors are finished in a range of colours from vibrant Red to natural woodgrains and fashionable Anthracite Grey.**

**Choosing the right colour can help inject personality into both your door and home, helping bring both to life.**

Benchmark doors have a crisp White interior colour, allowing you to change your interior décor without fear of clashing. This is the same high-quality hard-wearing finish as the exterior of your door.

# Quality **construction**

**Masterdor have been producing quality composite doors for over two decades and are renowned within the industry for their quality and craftsmanship. A Benchmark door protects your property from the elements and your family from intruders. The Benchmark GRP door combines the very latest technologies to produce an industry leading product.**

The GRP facing (Glass Reinforced Plastic) looks like wood but is unaffected by variations in temperature. When combined with a modern sub-frame, insulating core, modern outerframe and a fantastic hardware range, the Benchmark door delivers a high security, weather-tight door that will not bow, warp, crack, splinter or dent. Combined with side and top lights, a Benchmark door provides stunning looks that will add instant appeal to any home.

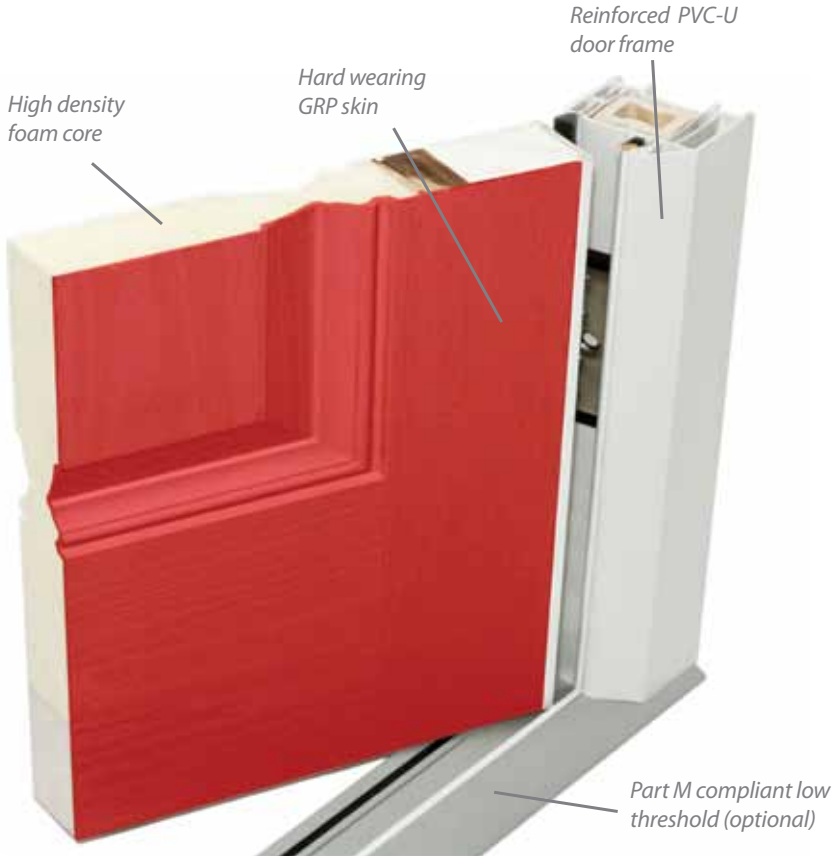

**Strength and Security**

- High impact resistance fiberglass
- 44mm thick leaf for increased security
- Incorporating robust materials for increased strength
- Multiple hardware choices
- Excellent thermal efficiency

**Suitability for a multitude of purposes**

- Each door is made to order
- Ideal for both domestic & commercial properties

## Benchmark **construction**

**High density foam core**
With 40mm of high density foam at its heart, your Benchmark door provides unbeatable thermal performance

**GRP skin available in 11 colours and woodgrains**
For long-lasting good looks and durability, Benchmark doors use a GRP skin that is both hard wearing and low maintenance

**Part M compliant threshold option**
Not only ideal for wheelchair access, the low threshold of a Benchmark door means easy access for everyone

**Reinforced PVC-U door frame**
Due to the reinforced PVC-U frame, your Benchmark door meets unrivalled standards in security with very little maintenance

# The **Moorgreen**

**SG15**

The **Moorgreen** is the classic dual glazed option making a smart statement for your home. Choose from our wide range of decorative glazing options to add an additional personal touch.

globalglass®

High quality, thermally-efficient sealed glass units are supplied by our specialist Global Glass division, which is one of the Top 10 volume IGU makers in the UK, manufacturing thousands of insulated glass units per day.

# 7 Day Lead **Times**

**You can trust us to deliver**

We measure our success in accurately providing what you ordered, quickly and on time. Our composite door range is now bigger and better than ever before and available on a 7 day lead time.

Remember : keep us informed if you are planning a large project and we will make sure we have everything you need in stock.

**Ordering from us** (Available to Trade Customers only)

To place your order with us, you can do it in one of four ways, including our online door builder:

| | |
|---|---|
| Phone : | **01773 852311** |
| Fax : | **01773 857080** |
| Email : | **orders@masterdor.co.uk** |
| Online : | **www.masterdorbenchmark.co.uk** |

Be sure to have your account number handy when making your order, so we can find your business details quickly on our system.

# Frame, sill & threshold **options**

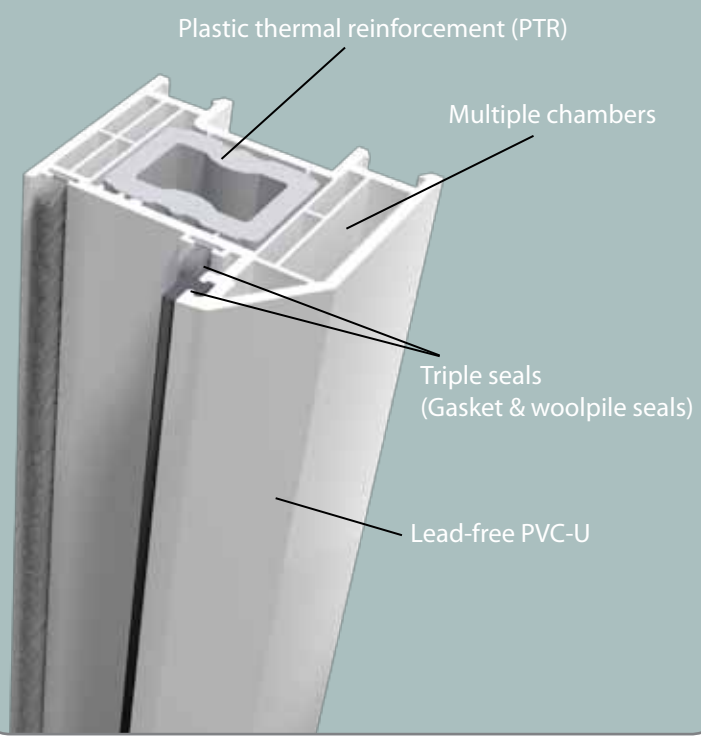

### To complete your door choice

Often it is the finishing touches to a project that make all the difference. To achieve the perfect look for your home, Masterdor offer a choice of frame, threshold and sill options.

## Frame **Options**

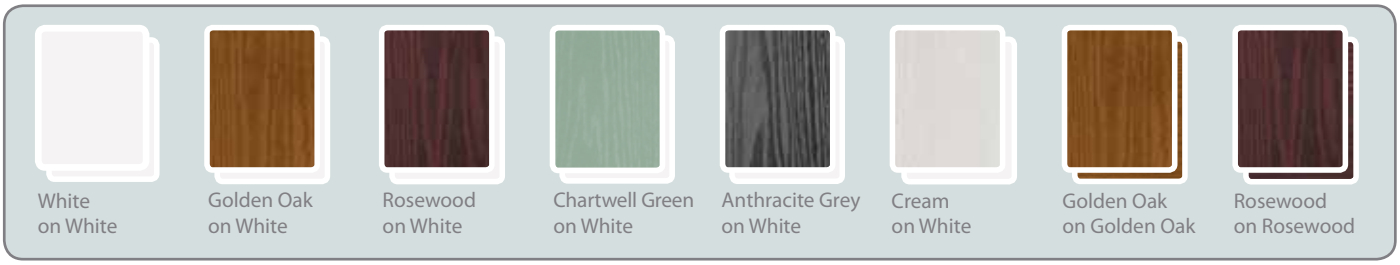

With our standard Chamfered frame style, you may select from our range of colours and woodgrains to individualise your door.

**Chamfered outer frame**
a clean modern style

- **Multi-chamber profile**
  Our multi-chambered frames give impressive thermal performance as standard. With 8 chambers, our Sheerframe profile will keep the entrance to your home warm and secure
- **Environmentally friendly frames**
  Lead free profile and plastic thermal reinforcements (PTRs) are both thermally efficent and incredibly strong with the added bonus of being light and quick to install
- **Triple sealed**
  Unlike other frames, our innovative system uses three gaskets to reduce heat loss and improve weather-tightness
- **Secure construction**
  With 72% better screw retention than through steel, PTRs offer more secure fixing of hardware keeping your frame rigid, stable and secure

## Frame **Colours**

# Door Sizing **Options**

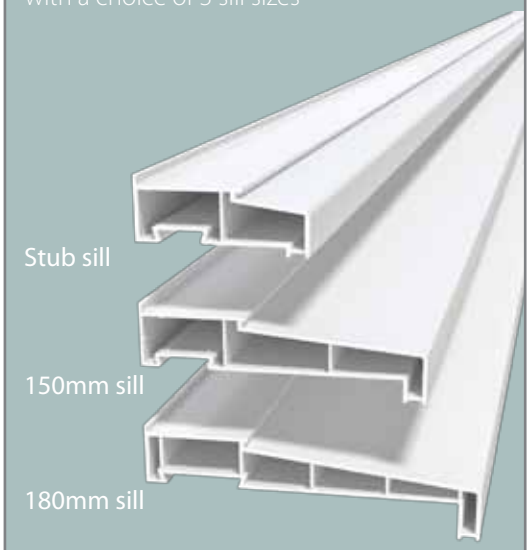

Our door sizes are dependant on the style you choose but most follow the sizing options below. A wide range of frame extenders and panels may be added for non-standard apertures.

| **Door style:** *Moorgreen, Butterley, Kingston, Derwent, Amber, Dove, Ecclesbourne, Erewash, Carsington, Lathkill and Beeston* | | | | |
|---|---|---|---|---|
| | Width | | Height | |
| | Min | Max | Min | Max |
| Standard aluminium threshold | 804mm | 1020mm | 1947mm | 2088mm |
| Part M Low aluminium threshold | 804mm | 1020mm | 1941mm | 2082mm |
| Full PVC-U frame | 804mm | 1020mm | 1966mm | 2107mm |

| **Door style:** *Wye, Speedwell and Ogston* | | | | |
|---|---|---|---|---|
| | Width | | Height | |
| | Min | Max | Min | Max |
| Standard aluminium threshold | 614mm | 1020mm | 1947mm | 2088mm |
| Part M Low aluminium threshold | 614mm | 1020mm | 1941mm | 2082mm |
| Full PVC-U frame | 614mm | 1020mm | 1966mm | 2107mm |

# Sill **Options**

**Benchmark doors** can be specified with a choice of 3 sill sizes

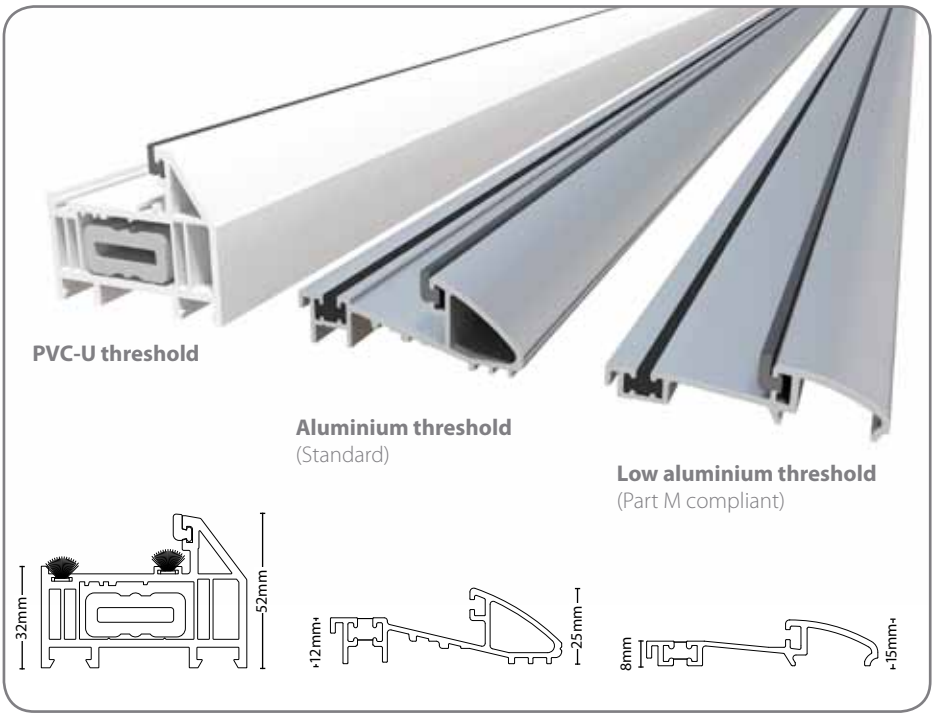

# Threshold **Options**

You have a choice of three thresholds from Masterdor. The standard offering is an aluminium threshold with a height of 25mm.

The low aluminium threshold is just 15mm high and creates a low step when your door is open. The low threshold is suitable for disabled and wheelchair access and is Part M compliant.

The PVC-U threshold provides a four sided door frame. When your door is open you will have a deeper frame to step over. However, the PVC-U option provides the tightest and most thermally efficient weather seal as the door sits behind the frame on all four sides.

# Customer **support**

**At Masterdor our experienced and skilled customer care team is always on hand to provide technical advice, answer any door style enquiries, provide installation advice and to assist with project enquiries.**

**We ensure that our customers have all the information your require to make the best choice and to provide the best service to your customers.**

### How to use this brochure

In designing this brochure, we aim to provide you with all the information you need in order to choose the perfect door solution. At your finger tips, you have detailed product information, photographs, hardware choices, accreditations, quality guarantees and glazing options.

When you're ready to order or if you'd like technical advice, give us a call on 01773 852311.

### **Ordering from us** (Available to Trade Customers only)

To place your order with us, you can do it in one of four ways:

| | |
|---|---|
| Phone : | **01773 852311** |
| Fax : | **01773 857080** |
| Email : | **orders@masterdor.co.uk** |
| Online : | **www.masterdorbenchmark.co.uk** |

Be sure to have your account number handy when making your order, so we can find your business details quickly on our system.

### Quick & easy - order online

Ordering online is a quick and easy process, please visit us at www.masterdorbenchmark.co.uk and use our online door builder.

### We have the technical know-how

Unsure what door or hardware would be best for a specific job? Our team has specialist working knowledge of our product range. Give them a call for helpful technical advice and support.

### You can trust us to deliver

# Masterdor external doors – maximum choice, style and security

**Masterdor Ltd is the largest producer of bespoke doors in the UK and offers design solutions to accommodate all your requirements. The Benchmark GRP door range offers a style to suit every home, providing quality backed by service that is second to none.**

Masterdor Ltd is part of the Synseal group of companies. Established over 30 years ago, Synseal now employs over 1200 people and has a turnover in excess of £130 million. Main operations are located at a UK-based 35 acre site with 70,000 square metres of production, warehousing and office facilities.

Thousands of professional installers choose to purchase Synseal products on a regular basis and Synseal recognises and values the loyalty of trade customers, always seeking to find new ways of offering practical support to help Synseal business partners win in the competitive marketplace.

The Synseal product range includes Global or K2 conservatory roof systems incorporating a range of designer orangery solutions, a choice of Legend, SynerJy and Shield 70mm PVC-U window and door systems, Global Glass sealed units which feature the company's exclusive Celsius performance glass for premium applications, in addition to an Evolve range of fully manufactured and CE Marked specialist PVC-U products which includes bi-fold doors, patio doors and vertical sliding sash windows.

Thermally-efficient Celsius Solid Roofs and WarmCore 'warm aluminium' folding sliding doors are the latest product designs to be introduced by Synseal and both these innovations signal new chapters in this award-winning company's history, with a continued pledge of delivering high quality products and service excellence to the fenestration industry.
